

RADIO AMATEUR WORKSHOP 2009

12th December 2009

TUARAN BEACH RESORT

Jointly Organized by:

Malaysian Communications and Multimedia Commission (SKMM)

Amateur Radio Clubs of Sabah

The Sabah Regional Office of the Malaysian Communications and Multimedia Commission (SKMM), with assistance from Amateur Radio Clubs of Sabah, will be organizing Radio Amateur Examination Workshop on 12th December 2009 at Tuaran Beach Resort.

Objectives

- To promote awareness of Radio Amateur services and the pertinent regulations;
- To partly serve as a preparatory course for prospective candidates for the upcoming RAE-2 2009 in December; and
- To achieve reduction number of illegal Radio Amateur Services and users.

Target Group

The workshop is targeted at the RAE candidates as well as general public.

Registration

Registration fee is 10 ringgit. Seats are limited. Those interested are encouraged to register early as registration is *first come first serve*.

How to register?

To register, please **walk-in** to SKMM Sabah and W.P Labuan office at the address below:
